# ABOUT BOBBY

"Mr. Bobby Dsouza, recognized among India's top 15 motivational speakers by keynotespeakersindia, is a man of many talents. In addition to being an engaging keynote speaker and a musical motivator, he is the Author of 'Fallen to Rise' – a powerful narrative that embodies resilient courage, inspiring others to triumph over Adversity."

"Starting as a construction laborer on the streets of Mumbai, he initiated a transformative journey. From the trials of sales escapades in the Banking sector to roles in service, and venturing into the elaborateness of the UK telecom industry, his path embraced both success and the invaluable lessons from failing miserably. This diverse experience laid the foundation for his foray into learning and development, ultimately culminating in his current role in people development as a premium keynote speaker, igniting inspiration in the hearts of thousands over the last 21+ years."
